Remote Video Game Tester – Flexible Hours

Description

We are hiring passionate **Remote Video Game Testers** to test upcoming PC, console, and mobile games from the comfort of your home. This role offers **flexible hours** and is open to students, freshers, and gaming enthusiasts who want to earn money while playing and reviewing games. No prior QA experience is required—training and guidelines will be provided.

Job Details:

- **Role:** Video Game Tester (Remote)
- **Type:** Work From Home / Part-Time / Full-Time
- **Location:** USA / Worldwide
- **Experience:** Not required – entry-level friendly
- **Compensation:** \$15 – \$28 per hour (or project-based)
- **Work Hours:** Flexible, 10–30 hours per week

Responsibilities:

- Playtest unreleased PC, console, and mobile games
- Identify and report bugs, crashes, and gameplay issues
- Provide structured feedback on graphics, sound, controls, and overall experience
- Follow test cases and submit bug reports using QA tools
- Collaborate with QA leads and developers remotely

Requirements:

- Passion for gaming across platforms (PC/console/mobile)
- Access to a PC, console, or smartphone with internet connection
- Strong observation and attention to detail
- Basic communication skills for reporting bugs
- Must be **18+ years old**

Benefits:

Hiring organization
